Hello! I am an enthusiastic FULL STACK DEVELOPER with nearly 2 years of hands-on experience in the software development field. I am deeply passionate about crafting engaging and responsive web and mobile applications. My skill set encompasses a wide array of technologies, including JavaScript, React, React Native, TypeScript, Redux, Node.js, Express, PostgreSQL, Sequelize, AWS, Bootstrap, HTML, CSS, and Git.

My expertise extends to agile methodologies, and I take pride in my ability to swiftly adapt and learn new technologies. I am constantly on the lookout for opportunities to broaden my knowledge and enhance my skill set. Collaboration is at the heart of my approach, and I thrive in team environments, where I can collaborate with others to bring exceptional experiences to life.
